

Starrett®

MANUFACTURING DAY 2023

FRIDAY OCTOBER 6TH

10:00AM - 2:00PM

For over 140 years, Starrett has advanced American manufacturing by maximizing the talent of workers.

Explore the world of modern manufacturing in-person when we open our doors for **Manufacturing Day 2023**, a national annual event sponsored by the National Association of Manufacturers.

Experience an American tradition here at our historic factory in Athol and build your future with Starrett.

Learn about a range of exciting opportunities in manufacturing innovation and technology:

- CNC programming
- Robotics automation
- 3D modeling
- Drafting
- Industry 4.0
- Training & development
